

How can I change client area password?

To Change Client Area Password, First [Login to Client Area](#) and then follow these steps.

1. Click on "Account Details" on left sidebar

2. Click on "Change Password" in new page

3. Enter Your old password and new password and click Save Changes

A screenshot of the 'Change password' form. The page title is 'Account details'. The navigation tabs are 'Overview', 'Edit Details', 'Change password' (which is underlined), and 'Settings'. The form contains three input fields: 'Old Password' (with a yellow background and masked characters), 'New Password', and 'Confirm Password'. Each field has a small icon on the right side. Below the form is a blue 'Save Changes' button.
